

School Improvement Plan 2025 -26

Developing Teaching

Overall target

To ensure that in a small number of subjects as identified by Ofsted (2024) pupils are provided with opportunities to use and apply what they know and therefore deepen knowledge over time and teachers have the skills to support pupils to build upon previous learning

Curriculum

Overall target

Ensure the curriculum is updated and aligned with the new National Curriculum standards, focusing on high and rising standards, cultural learning, and essential work and life skills.

Behaviour and Attitudes

Overall target

Continue to embed a culture of high expectations and challenge, focusing on supporting pupils to develop resilience, self-regulation, and a positive attitude to learning, while fostering a respectful and inclusive environment for all members of the school community.

Christian Distinctiveness

Overall target

To ensure that all members of the school community are well-informed about the new SIAMS framework and its relevance to us as a Church of England Primary School. We aim to ensure that our Christian theologically based vision is deeply embedded and threaded through all aspects of school life, shaping our ethos, policies, and practices.

Leadership

Overall target

Ensure a smooth and supportive leadership transition while maintaining school stability and exploring future sustainability options.
