

The geography curriculum develops the **children's curiosity and interest** in the world that we live in and its people.

Encourage our children to **aspire highly** through exposure to the stories of **exploration, adventure, and great achievements** in the Geographical world.

A curriculum that **inspires** all children to become **successful, ambitious and confident** Geographers.

Lessons are planned to **deepen** children's knowledge and understanding and to develop their geographical skills. **Connections to Prior Learning** are identified.

The curriculum **encourages** the children to **reflect** on what we can do to **engage with society** and to **take responsibility** for the impact that we have.

Children Leave Singleton School **knowing more and remembering more**. The Geography curriculum prepares them for their future **aspirations**.
