

The Music curriculum develops the **children's curiosity and interest** in the world that we live in and its people. Pupils make **connections with other cultures** and wider world.

Through a range of rich experiences, children gain an appreciation of the joy of music and the skills to listen to, compose, perform, and appraise musical pieces

"A curriculum that **inspires** musical creativity in **all** learners, offering enrichment experiences that include Musical Theatre and collaborations with local musicians.

Lessons are planned to **deepen** children's knowledge and understanding and to develop their musical skills. **Connections to Prior Learning** are identified and embedded.

The curriculum develops children's **passion** for different types of music and the story that they tell

Children Leave Singleton School **knowing more** and **remembering more**. The Music curriculum prepares them for their future **aspirations**.
