

Singleton C of E 'School Improvement Plan' 2025/26

"With God, all things are possible." Matthew 19:26

"I have come so that they may have life and have it to the full" John 10:10

Mrs. Rund and Mrs. Millward will look at the displays around school to make sure they help us understand our Christian Vision and remind us how we can live it out every day.

Mrs. Millward and Mrs. Rund will teach us about the CARE curriculum, showing us how it can help us make good choices, aim high, reflect on what we've learned, and stay engaged in our learning and faith.

Mrs. Clayton and Mrs. Rund will plan our weekly Worship sessions. These will include important events from the Church calendar, Big Questions to get us thinking deeply, and topics about real-life issues, like charity work and world events, that affect people across the globe.

Mrs. Rund will explore ways to bring visitors into school to help us learn more about Christianity and other World Faiths. These visitors will make our learning even more exciting and help us see the world in new ways.

Mrs. Rund will work with the Christian Leaders to create inspirational outdoor spaces where we can reflect and think quietly during breaks. She will also train the Christian Leaders to lead reflection times and come up with Big Questions linked to our Christian Values.

Mrs. Rund will help us learn about important topics like water aid, climate change, and Fair Trade through worship and charity projects. This will help us understand how we can take responsibility and make a difference in the world.

"As the light of the world, Jesus guides us to walk in faith, illuminating the way to live fully and embrace our vision where, with God, all things are possible." When we enter choppy waters and difficult times, he is by our side reminding us that he came so that we may have life and live it to the full.

We will extend pupils and parents opportunity for prayer
