

To learn **about and from religions** and world views in local, national and global contexts.

Through Questful RE, delivering a high-quality RE curriculum that is **coherently sequenced** and **challenging for all**, underpinned by our **Care Ethos** and **Christian Values**.

To **provoke challenging questions** about meaning and purpose, beliefs **about God**, and what it **means to be human**.

The curriculum provides the children with the **skills to enquire, apply, question, research and analyse**. It provides opportunities to contemplate the '**Bigger Questions**'.

To articulate **clearly and coherently** our **personal beliefs, values and experiences** whilst respecting the rights of others to differ.

Children Leave Singleton School **knowing more and remembering more**. The RE curriculum prepares them for their future **aspirations**.
