

Living, Loving, and Growing Through CARE

"Passion for Learning Passion for life"

"With God, all things are possible." Matthew 19:26

"I have come so that they may have life and have it to the full" John 10:10

Singleton School Vision

To provide our children with a wide variety of engaging and challenging opportunities, enabling them to live life to the full. Developing a growth mind-set believing that with God everything is possible.

To show love, trust, wisdom and respect, becoming exemplary role models in our community and the wider world.

At Singleton School, we endeavour to create an inclusive school community where children feel rooted in the knowledge of God's love for all people. We aim for every child to develop a passion and a curiosity for learning and celebrate achievement in all its forms and the effort that goes into making progress. The concept of flourishing and having a 'passion' for life is linked to 'I have come so that they may have life and have it to the full' John 10:10. For us, this is rooted in our belief that we all inhabit God's world, which he gave us to explore and cherish. Therefore, we embrace the full breadth of the curriculum and move beyond providing exceptional enrichment opportunities so that our children flourish spiritually, socially, emotionally, and academically. As pioneers, children develop a passion for learning, grow confidently without fear of failure, and inspire the adults around them.

At Singleton School, 'With God, all things are possible.' Matthew 19:26 inspires and underpins our school vision and runs through the heart of our school. We dedicate ourselves to offering opportunities for children to thrive in every aspect - academically, physically, socially, and emotionally in a stimulating and enjoyable learning environment. We also aim for the entire community to flourish. To attain the highest possible standards, we encourage everyone to strive for excellence. There are endless possibilities for our children. We seek to inspire each other to learn to value difference, greatness, ambition, and achievement of all kinds. Each of us aspires to reach a potential that is not limited but supported through our ambitious curriculum and our Christian Values, which will truly enable us to embrace living our lives without limits. We believe with God's love and support; we can achieve beyond our wildest dreams.
