

Singleton Church of England Primary School Academic Achievements

Results 2025

Governors and school leaders facilitate a reflective and ambitious culture. Constructive challenge and creative ideas are encouraged, valued, and used to inform whole school planning. The views of learners, parents, staff, governors, therapists, social workers, and other stakeholders inform the evaluation of the quality of our work and provision, which in turn is used to identify areas for improvement.

Achievement Information

Since 2012 we have been recognised as one of the highest performing schools in the country.

In 2012 we received a letter from David Laws MP congratulating us on our performance and explaining that the success of our children and their excellent rates of progress in both maths and English placed our school among the top-performing primary schools in the county.

In 2013, we received another letter from David Laws MP congratulating us once again on our excellent performance and explaining that we were one of the top 105 performing primary schools in England out of over 15000. He went on to explain that in comparison to schools that had nearly identical intakes, we were ranked first.

In 2014 we received a letter from Ben Wallace MP congratulating us on achieving 6th place in the Times performance list out of over 15 000 schools.

We were ranked 6th nationally out of 15500 schools and 1st in Lancashire in 2015.

In 2016 we received a letter from Nicky Morgan MP congratulating us on being a consistently high-achieving school

In 2017 we were inspected and achieved the Ofsted rating of outstanding in all categories. Ofsted identified:-

"Teachers use assessment information with expertise to ensure that they cater for every pupil's learning needs. As a result, pupils make outstanding progress."

In 2018 we received a letter from Nick Gibb MP congratulating the school on 100% of pupils reaching or exceeding the expected standard in reading and mathematics at the end of KS2. He explained that this meant that our school was therefore in the top 1% of primary schools in England for attainment in reading and mathematics. We also received a further letter from Rt. Hon Nick Gibb MP 2018 congratulating us on our outstanding achievement in the 2018 phonics screening in which our school was in the top 3% of all primary schools in the country.

In 2019, we received a letter from Rt. Hon Damian Hinds, indicating that once again our achievement in reading and mathematics at the end of Key Stage 2 was outstanding putting us in the top 1% of primary schools in England. In the same year, we also received a letter from Rt. Hon Nick Gibb MP to congratulate the school for being in the top two percent of all primary schools in the country for our phonics screening check results.

In 2020 we received a letter from Rt. Hon Nick Gibb MP indicated that 100% of our pupils reached or exceeded the expected standard in reading, writing, and maths at the end of KS2. This meant our school was in the top 1% of primary schools in the country.

In 2024 we received a letter from Damian Hinds Minister for Schools indicating that our pupil's achievement in reading, writing, and mathematics at the end of KS2 placed our school in the top 1% of the country

Progress measures

Progress measures will not be published for the 23/24 and the 24/25 academic years as KS2 pupils in these years did not have KS1 assessments due to the COVID pandemic
