"Passion for LearningPassion for life"

Christian Value – Respect

Luke 6:31 "And as you wish that others would do to you, do so to them."

Dear Parents,

I hope this message finds you well as we step into October and embrace the rhythm of a new school year. There's a wonderful energy around Singleton Church of England Primary School, and I'm delighted to share some of the exciting opportunities ahead. Class 3 is preparing for a very special educational visit to the Houses of Parliament in London. This trip offers a unique chance for our pupils to explore the heart of British democracy and deepen their understanding of citizenship and governance.

Accompanying the children will be Mrs James, Ms Stansfield, and Governors Mr Davies and Mr Smith, and parent helper Mrs Penrose – Rhodes who are all looking forward to supporting the children on this memorable day.

Our new Foundation Stage pupils have made a fantastic start to their school journey. Their enthusiasm, curiosity, and joy have been a pleasure to witness. A heartfelt thank you goes to our Year 5 Buddies, whose kindness and leadership have helped our youngest learners settle in with confidence and ease.

Looking ahead, the school calendar is brimming with exciting events. Mrs Warner is once again leading our much-loved STEM Week, and we're thrilled to be taking the whole school to the Pantomime at the Grand Theatre. Preparations are also underway for our Nativity and Carol Service, which promises to be a beautiful celebration of the season.

Please keep an eye on the diary dates to stay informed—during busy periods, we may not always send text reminders.

Healthy Snacks Policy

As you are all well aware, the Governing body has a policy that **only fruit snacks** are permitted in school for break times.

We ask that you ensure that you continue to support this; the Governing Body made this decision because we have several children with allergies and we also promote 'Healthy Eating' in our school. If other snacks are sent in, they will be fruit snacks must not be shared with others – they must eat their own.

Miss Manns is going to run Parent Workshops again this this academic year. They are very much an informal coffee and a biscuit type event and we encourage parents to come along.

This year after feedback from parents and staff the focus is going to be on the following:-

- Supporting your child with emotional health and well being
- Supporting with behaviour and dysregulation
- Supporting with resilience

These workshops are intended to be a supportive session. We will go through the Solihull approach looking at the importance of reciprocity, containment, resilience and the relationship between a parent and a child.

We will chat about behaviour, looking at behaviour management strategies, consistency, boundaries structure and routines. Finally, we will discuss behavioural developmental milestones.

The next session is planned for
Friday 21st November at 2:15
Please let the office know if you can attend.

FOSS (Friends of Singleton School) Updates

Up and coming events

Event	Date and time
Magical Disco	Thursday 23rd October
Non Uniform Days	24th October – Non-Uniform Day – Tombola donation 14 th November – Non-Uniform Day – Chocolate donation
Christmas Fair	28 th November 3:15pm – 4:30pm

In the last academic year, we used the money that was raised by FOSS to purchase an Interactive White Board for all classes and new library books for our libraries as well as lots of other small projects. They also helped with the cost of the coaches for our Panto trip to help keep costs down.

This year we are fundraising to buy 'Cabins for schools' wooden outdoor rooms for our playgrounds for creative play – also as longer-term fundraising targets – we need new sheds for the outdoor toys and an updated PA System for the Hall. We are very fortunate as a school to be supported by the 'Richard Dumbreck Trust' who match fund all the money FOSS raise. This makes such a massive difference as to what we can buy for our children. FOSS and school are very grateful that all our parents are so very supportive with the multiple events that are run throughout the year – it really does make a difference.

Please remember that as parents you are all automatically members of FOSS and any support is greatly appreciated. You don't have to attend every meeting or support at every event – but anything that you can contribute or bring to the table is always greatly appreciated. This year our FOSS team are hoping to bring in some new ideas and would really appreciate new volunteers ... so please support if you can.

FOSS FUNDRAISING – SCHOOL'S WISH LIST

- Cabins for school – outdoor rooms for the playgrounds for creative playtimes
- PA System for new Hall
- Outdoor Sheds for the Playtime toys
- IPAD Charger (10+IPADS)

FOSS have purchased 4 interactive white boards now – so all classes have had a new white board. This is fantastic and we are very grateful.

Christmas Diary Dates

Christmas is fast approaching and that means many diary dates. Please make sure you make a note of the production times.

This year there will be two Infant Nativity performances in Church

- 3rd - Infant Nativity 6pm.
- 4th - Infant Nativity 2pm

This year there will be two Junior Carol Concerts in Church

- 9th - Junior Carol Service 2pm. – In Church
- 10th - Junior Carol Service 6pm. - In Church

Tickets will be on sale towards the end of November priced at £3:50

All the money raised through the selling of tickets to the Christmas events is used to buy things for the children. For example, at Christmas, we buy: -

- Prizes for the Christmas Parties.
- Crackers for the Christmas dinner.
- A present for every child from Father Christmas.
- Drinks and sweets / biscuits for the Grand Theatre Panto.
- As well as purchasing props, production licenses etc.

The Importance of good attendance

Attendance during one school year	Equals absent days	Which is approximately weeks absent	Which is this the number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
80%	38 days	8 weeks	200 lessons
70%	57 days	11.5 weeks	290 lessons

Your children get 14 weeks holiday a year!

There are **38 weeks** in the year when schools are open, and **14 weeks (175 days)** when families can visit family overseas; go on holiday; travel; pupils can work, take educational trips, attend non urgent medical appointments.....**So is your request for leave exceptional?**

When a Child Arrives Late:

- It interrupts concentration.
- It wastes valuable learning time.
- The teacher repeats information / instructions whilst others have to wait.
- The late child is at an immediate disadvantage because they may have missed important teaching points, missed discussions where ideas are shared and will be generally unsettled.
- Children feel stressed and anxious about having to walk into their lessons late, some children find being late very distressing.

A Polite Reminder About Drop-Off and Collection Times:

- Parents are expected to drop off and collect their children (or arrange for this to happen) punctually. If parents are late, children will be placed in Acorns Club, and a charge will apply. Please ensure you collect your child promptly at 3:15 pm (or 4:15 pm if your child participates in an extracurricular activity).
- Late drop-off and collection are monitored by Miss Manns, our Family Learning Mentor.

Please Note: -

Lancashire County Council's policy states that:

- **Penalty notices** are issued for unauthorised absences of 5 days (10 sessions) or more.
- If a child accumulates **15 days or more** of unauthorised leave, the case is **reviewed individually** and may lead to **prosecution under Section 444 of the Education Act 1996**, especially if previous fines have been issued or ignored.
- After **two penalty notices** within a 3-year period, further unauthorised absences will not result in another fine but may lead to **court proceedings**

Useful information / Publications for parents

Each month we will provide some links or publications to download that will cover a wide range of current Safeguarding information for parents taken from the Children's Safeguarding Assurance Partnership (CSAP) Website.

Where do I start?

The online world offers amazing opportunities but also brings elements of potential risk and for Parents & Carers, making sense of the online world can appear to be an enormous challenge. Unlike previous generations, the online environment is an integral part of children's lives and therefore we can no longer consider their wellbeing or safety without also considering their relationship to technology. However, staying safe online is fundamentally about behaviours rather than the technology itself and if approached from this perspective, we can begin to gain confidence to support our children.

The illustration below provides some useful tips for Parents and Carers when discussing the online environment with children

Have you heard of SWIGGLE?

Swiggle.org.uk!

Swiggle child-friendly search engine from the Online Safety experts at SWGfL.

Searching the internet for images or content can sometimes be a bit hit and miss. It can be hard to find the right content and sometimes you can stumble onto things that might make you feel upset, embarrassed or sad. Swiggle can help you with your first steps on the road to better online searching.

Swiggle uses the very latest search technologies to make your searches more useful. It not only gives you safer access to online content but encourages responsible behaviour too.

With your new friend SwiggleBot to help you, you can search for great information and images, and if you do see things that you think are not right, you can let SWGfL know and they will consider blocking it. You can even use SwiggleBot to cover your screen while you go and get help from an adult.

Swiggle.org.uk is a great start in encouraging responsible online searching. After all, the best way to keep yourself safe and happy online is by having a safe and happy attitude. A better internet starts with you.

How it works

Swiggle is powered by Google Custom Search, the results are filtered using Google SafeSearch, and They have configured the results to prioritise educational resources.

They also filter the search terms to check that Swiggle is not being used to search for inappropriate content.

Make Swiggle your default search engine!

You can search using Swiggle directly from your address bar by installing Swiggle as your default search engine:

Stay Safe on the Internet

The internet is a vast resource, and some content is not appropriate for children. They recommend you add Swiggle to your browser or put the Screen Cover link on your bookmark bar so that if you go to a page that is not appropriate, you can cover the screen and go and tell an adult.

Reporting Tools

Swiggle provides you with reporting tools to get inappropriate content blocked. You can report pages found through this search [using the reporting page](#).

And if you use our [Screen Cover](#), we also provide a tool to send a report about any page to your system administrator, so they can block it with their filter.

Applying to Secondary Schools

Important dates

The arrangements for the transfer of pupils to secondary schools in September 2026 will, as far as possible, conform to the following timetable.

1 September 2025 - Apply from this date

- School places are not allocated on a first-come, first-served basis. All applications received up to the closing date are given equal priority, but if you miss the deadline, a late application may reduce your chance of getting your preference of school.

31 October 2025 - National closing date for secondary applications (statutory).

- During this period all applications are processed and all preferences are considered against the published admissions policy. Where there are more applications than places available, decisions are made as to which children should be offered the available places. We will liaise and exchange information with all other admission authorities including neighbouring local authorities. The allocation and offer of a secondary school place are finalised.

2 March 2026 - Offers issued to parents

(The national offer date is 1 March, if this date falls on a weekend or a bank holiday, offers are sent the next working day.)

If you are not happy with an initial offer the appeals period starts from your receipt of the offer. [Appeal information](#) will be issued later as this allows some time for reserve lists to operate.

Appeals that we receive after the deadline will be slotted into the schedule where possible. We cannot guarantee this, however, and late appeals may have to be heard after the agreed date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venue, etc.

Living, Loving and Growing Through C A R E

What Is the C A R E Curriculum at Singleton?

At Singleton Church of England Primary School, we believe that education is about more than just lessons—it's about shaping character, building confidence, and helping every child grow into the best version of themselves. That's why we've developed our unique **C A R E Curriculum**, which is rooted in our Christian values and vision.

C A R E stands for:

- **C – Choices**: We teach children to make wise, thoughtful decisions, guided by values like wisdom, endurance, and inclusivity.
- **A – Aspiration**: We encourage every child to dream big, show respect, and feel empowered to reach their full potential.
- **R – Reflection**: We help children reflect on their learning, their actions, and their relationships, nurturing love and a spirit of service.
- **E – Engagement**: We inspire children to get involved, build friendships, and contribute to their school and wider community.

These principles are woven into everything we do—from classroom learning to playtime, assemblies to enrichment activities. Our CARE Curriculum helps children understand how to live well with others, how to grow in confidence, and how to make a positive difference in the world.

We also teach six core Christian values: **Friendship, Respect, Trust, Endurance, Wisdom, and Love**. These are not just words on a wall—they're lived out every day by our staff and pupils alike.

At Singleton, we're proud to say we don't just teach children—we nurture them. Through **C A R E**, we help every child live life to the full.

Introducing Our New C A R E Award

This academic year, we're excited to introduce a new way of celebrating our pupils' achievements and character at Singleton Church of England Primary School.

Our traditional *Star of the Week* will be replaced by the **C A R E Award**, which reflects the heart of our school ethos and the values we live by every day.

The **C A R E Award** is rooted in our **C A R E Curriculum**, which encourages children to make good **Choices**, show **Aspiration**, practise **Reflection**, and demonstrate **Engagement** in all areas of school life.

Each week, one child from each class will be recognised for showing these qualities—whether it's making a wise decision, showing kindness and respect, working hard towards a goal, or engaging positively with their learning and peers.

This change allows us to celebrate not just academic success, but the character, effort, and values that make our children truly shine.

We look forward to sharing these moments with you and celebrating the wonderful ways our pupils live out our **CARE** ethos.
